

Observations of Life

By Andy Rooney

A man who had the gift of saying so much with so few words

I've learnedí ..That to ignore the facts does not change the facts.

I've learnedí ..That when you plan to get even with someone, you are only letting that person continue to hurt you.

I've learnedí ..That love, not time, heals all wounds.

I've learnedí ..that the easiest way for me to grow as a person is to surround myself with people smarter than I am.

I've learnedí ..That everyone you meet deserves to be greeted with a smile.

I've learnedí ..That there's nothing sweeter than sleeping with your babies and feeling their breath on your cheeks.

I've learnedí ..That no one is perfect until you fall in love with them.

I've learnedí ..That life is tough, but I am tougher.

I've learnedí ..That opportunities are never lost; someone will take the ones you miss.

I've learnedí ..That when you harbor bitterness, happiness will dock elsewhere.

I've learnedí ..That one should keep his words both soft and tender, because tomorrow he may have to each them.

I've learnedí ..That a smile is an inexpensive way to improve your looks.

I've learnedí ..That everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.

I've learnedí ..That the less time I have to work with, the more things I get done.
